

ETHOS AI
FOR ALL

FIT FOR AI- WITH COMPETENCE AND COMPLIANCE

Shaping the Future Together with AI and Data Literacy

Technological change. Regulatory requirements. New ways of working.

We empower people and organizations for the world of work tomorrow – with government funding and application-oriented programs.

WHO IS OUR PROGRAM DESIGNED FOR?

- **Jobseekers:** Career restart with future-oriented roles in Data Analysis, AI, and Compliance
- **Outplacement & Transition Programs:** Structured career transition with individually tailored training programs
- **Small & Medium-Sized Enterprises (SMEs):** Building internal AI and data skills to secure long-term competitiveness
- **Companies with Reduced Working Hours (Short-Time Work):** Upskilling during short-time work – 100% eligible for public funding

WHAT IS FUNDED?

- **Funding Programs:** Qualifizierungschancengesetz, Bildungsgutschein, Short-time work+qualification
- **Course Fees** – up to 100% covered
- **Wage Costs during Training** – up to 100% subsidized
